

Wilson Stokes- Male 20s-30s- Intelligent and Arrogant, Stokes believes becoming a Cyborg is the next step in human evolution.

In this scene, he's being interviewed for a position on an Elite Special Forces Team.

WILSON STOKES

What's my next upgrade? Sheesh! I've got a list, but it's tough to choose... Probably some new eyeballs; I'd like to get my visual jacked up near Ultra Violet, which will help with camo types. It'd also just be cool as hell to see the world like that, you know?

(beat)

You're scared of me, aren't you? Don't lie now... I see your blush response. I hear your respiratory rate. You're scared.

You should be. The whole human race is about to become completely obsolete.

## COMBAT LINES
